FALCON PRIDE!

It's hard to believe the first month of 2020 has already come and gone!

We had an exciting first month back and are off to a great start to 2nd semester! Our boys and girls basketball teams are both still in action. High School and Junior High Scholastic Bowl are both starting off strong and looking forward to a successful season. The Junior High volleyball team has been busy and is working hard both on and off the court.

On January 24th we celebrated our students who show Falcon PRIDE with our Fuel up with Falcon PRIDE breakfast. Remember to show your Falcon PRIDE this semester and you can join us in the Spring at our Ice Cream Social!

Also on January 24th we celebrated our 100th day of school! Our Grade School students celebrated with some fun 100 themed activities.

It's a great day to be a FALCON!

Kids Heart Challenge News!

Hello ! Our "Hoops & Jump" for heart event is now known as "Kids Heart Challenge" This was changed last year as we celebrated 40 years with the American Heart Association - aka AHA!!♥ Our heart event will be on Friday Feb 28 during P.E. classes. Come join your children's class during that day to help out with the event and have fun.

Adopt a critter or animals can be purchased for \$1 to have a student take to a new home. The money will go towards your child's name and class.

Be on the look out for the info letter and envelope & website to sign up for a see our school's progress coming home soon. We are encouraging boosting up online donations this year.

Flanagan-Cornell Unit 74 Spring Preschool Screening

The annual Preschool Screening for Flanagan is scheduled for Tuesday, April 7, 2020 at St. John's Lutheran Church 311 S. Jackson Street, Flanagan.

Screenings are open to all children Birth to 6 years old. If the child is currently enrolled in preschool, has an Individualized Education Plan or is receiving Birth to 3 services, the child does not need to be screened.

Children, age birth to 2 ½, will be screened by staff from the OSF Early Intervention Program. Children, age 2 ½ through 6 years old, will be screened by staff from Livingston County Special Services and Flanagan school personnel.

Screenings times are by appointment only. You can schedule an appointment beginning **Monday, March 30, 2020** by calling the Flanagan Grade School office at 815-796-2261.

Please bring a copy of your child's birth certificate, completed registration information, completed ASQ packet, and proof of income. You will receive a list of what to bring once you schedule an appointment with Flanagan Grade School office.

A Preschool Screening may not seem important right now, but studies have shown that the earlier a child is screened, the greater chance he/she will have of reaching his/her fullest potential. Our goal is to measure your child's growth in areas that will be important for your child's future success in school.
